**Wednesday, June 6** - Walk from the Cross Hotel to St. Non's Well and onto the Coastal Path. Our walk takes us past the shrine to St. Non (St. David's mother) then on to Porthclais harbor-William the Conqueror came into this harbor. Along the way we round the most westerly point of Wales. We will be seeing beautiful sea views, seabirds, old copper mines and earthen forts. At St. Davids Lifeboat Station we will turn away from the sea and back toward St. Davids. About 8 miles today.

- Dinner together.

**Friday, June 8** - A local bus this morning to Porthgain and a look around the artists' galleries there before a walk through the harbor village and onto the coast. We will have wonderful views to the west as we follow the path by old quarries, (Blue Lagoon at Aberiddy), badger sites, hill forts, and gull colonies; maybe even see some seals bobbing in the water. Our path takes us back into St. Davids. Today 9.5 miles.

- Dinner on your own.

**Saturday, June 9** - We will take the local bus to Pen-y-Cwm where we begin our short walk to join the coastal path. We have long views to the sea today and closer views of choughs and peregrine nest sites. Our lunch is at Solva Boat Club on the perfect harbor of Solva. You could take a little shopping time here if you choose and take the bus back into St. Davids or continuing on the coastal path— the afternoon walk follows a varied coastline taking us by an Iron Age hill fort, lime kilns, an old mill and maybe a surprise tea stop! Via Caerfai Bay, we are back into St. Davids. Today we have a series of steep hills that have many steps--you will be using your hiking poles a lot. About 8 miles today.
